# GRAN FONDO FRANK SCHLECK 2022

Frank always said, as a professional rider, that he is proud to wear the national colours and that he would be very happy to give back to Luxembourg cycling just a part of the enormous joy he has for cycling.

Well, this has been done since he, with the great support of Martine, set up the Gran Fondo, where since 2017 more than 2000 cycling enthusiasts discover the beautiful regions of the Moselle and Mullerthal in complete safety.

It would be wrong to know Frank and his extreme love for cycling if we thought that this would be enough. A year ago, Frank joined the National Cycling Federation, where he is now the National Coordinator to the great satisfaction of all of us.

This year the guest of honour is „Luxembourg Cycling“ represented by all the current and former professionals who have defended the colours of the Grand Duchy so well on a worldwide scale.

I am sure that, after two difficult years, the national and regional cycling community will experience an unforgettable day on May 21st in Mondorf-les-Bains, among other places, City of the future Velodrome.

**DAHM Camille** | President of the FSCL

# IN THE FOOTSTEPS OF FRANK SCHLECK ... IN AN IDYLIC REGION

**The Moselle is not only a fascinating tourist region and the birthplace of Luxembourg's great wines, it is also the home of Frank Schleck, one of the best Luxembourg cyclists of all time.**

The „Schleck Gran Fondo“, which is part of the „UCI Granfondo World Series“, offers the golden opportunity to participate in a renowned cycling competition. Participants can discover the roads on which Frank Schleck has trained for a long time. He has decided to share his passion and love for cycling with the general public and with great success. The „Schleck Gran Fondo“ attracts both residents and amateur cyclists from all over the world.

In addition to the sporting challenges, this race also offers the opportunity to discover the idyllic landscape of the Moselle with its vineyards and hillsides and enjoy the Moselle valley's famous wines and its panoramic views. Luxembourg's cycle routes extend well beyond the Moselle region. The 600 km of cycle paths and 700 km of mountain bike routes lead through all the different regions of the Grand Duchy and allow you to visit the diverse and varied landscapes of Luxembourg's regions.

I hope that the cyclists of the „Schleck Gran Fondo“ will take advantage of this race to follow in the footsteps of Frank Schleck while discovering the tourist attractions of the Grand Duchy.

# SCHLECK GRAN FONDO

**This year cycling enthusiasts once again have the great opportunity to participate at the traditional Schleck Gran Fondo in Mondorf.**

First, I would like to thank the entire organizing team for their great collaboration with the commune last year despite all the health measures during the Covid-19 pandemic and congratulate the team for initiating the Gran Fondo even in such difficult times.

Mondorf is proud to welcome people from all over the world during this major sport event.

We are indeed expecting more than 2000 cyclists participating at the two racecourses through various beautiful and natural landscapes in the Mosel region and I am confident we all celebrate their achievement in the Gran Fondo Village, the vibrant heart of this event.

As mayor of Mondorf, I would like to encourage all the cycling fans to support this big sport event, with a focus on creating a friendly and festive atmosphere and I wish the whole team and all the participants and spectators an unforgettable cycling day.

**RECKEL Steve** | Mayor

# FROM NOVELTY TO TRADITION!

**In just 5 years, the „Schleck Gran Fondo“ has secured an essential place in the annual calendar of thousands of cyclo-tourists of all horizons.**

Born in 2017 from the imagination of Fränk Schleck at the end of his brilliant career as a professional cyclist, this courageous initiative, that intended to introduce his training routes through Luxembourg of yesterday to a wide audience, has enjoyed undeniable success from its beginnings to become a tradition in record time.

Year after year, this cyclo-sportive as part of the „Gran Fondo UCI World Series“ continues to attract more followers to the point of approaching 3.000 participants this year on its two separate journeys in the beautiful region of Luxembourg's Moselle, with its steep hillsides and vineyards, and the „Little Luxembourg Switzerland“ with its numerous climbs in an impressive rocky landscape.

This great and popular event does honor to Luxembourg in general, as well as to the cycling champion Fränk Schleck, winner of many world-class races like the Tour de Suisse and the Amstel Gold Race and stage winner also in the Vueltta and in the Tour de France.

I would like therefore to congratulate Fränk Schleck and his wife Martine as well as the ACC Contern cycling club and the many volunteers who surround them for ensuring the smooth running of this 5th edition of the Schleck Gran Fondo, an outstanding sporting event for our country, branded this year by our country's signature **LU<sup>+</sup>EMBOURG**.

Finally, I wish to extend a cordial welcome to Luxembourg to the many foreign cycling friends who will once again mingle with the hundreds of native cyclists to feel, for the duration of a race, in the shoes of the greatest cycling champions in history.

**So let's make it happen.**

## JOIN THE SCHLECK GRANFONDO TEAM

We are always looking for motivated volunteers who are up for a great sports weekend and who would you like to see behind the scenes of the biggest cycling event in Luxembourg.

Volunteering is a brilliant way to get a front row seat, up close to the action. We'll give you all the training and information you'll need - all we ask is that you bring your enthusiasm, dedication and passion. Gain new experiences, meet new friends and collect memorable moments.

If you are interested in becoming a member of the volunteer team, send your name and contact information to [info@schleck-x-perience.com](mailto:info@schleck-x-perience.com)

**To our champions on the sidelines,  
THANK YOU!**

We appreciate all of our Schleck Gran Fondo VOLUNTEERS that made TODAY POSSIBLE!
